To Whom It May Concern

Alice Nguyen was employed by Grace Design Studios from June 2 to August 7, 2025, as an Interior Design Intern during her summer break from University of North Texas.

During her time here, Alice proved herself to be a dedicated and conscientious employee. She not only helped to organize our design library, but she helped with project material selections and documentation. She participated in manufacturer presentations, site visits, and project meetings.

We enjoyed having Alice with us and found she had the willingness to do what it takes to get the job done with a positive attitude.

Sincerely,

Tamara Bopp, RID, IIDA
